

Here's how Cup n' Card works -

- Unique card carrier attracts buyer
- Buyer easily assembles 3-D cup
- Cup n' Card presented to thrilled recipient
- Happy recipient shares the special gifting moment

And the cup has room to accommodate an add-on item purchase as well.

## Cup n' Card Carriers Hold Added Value

Along with the popularity of gift cards comes competition. *How do you get consumers to purchase your gift card over the countless others in the marketplace?* An effective strategy is to package it in a motivating, noteworthy way, so the purchaser enjoys giving and the recipient is excited to receive.
